Grant's Prep Plan

- Reread my book
- PostgreSQL documentation
- AI generated tests
- AI generated study guides
- Watched Pavlo's videos
- Hands on practice

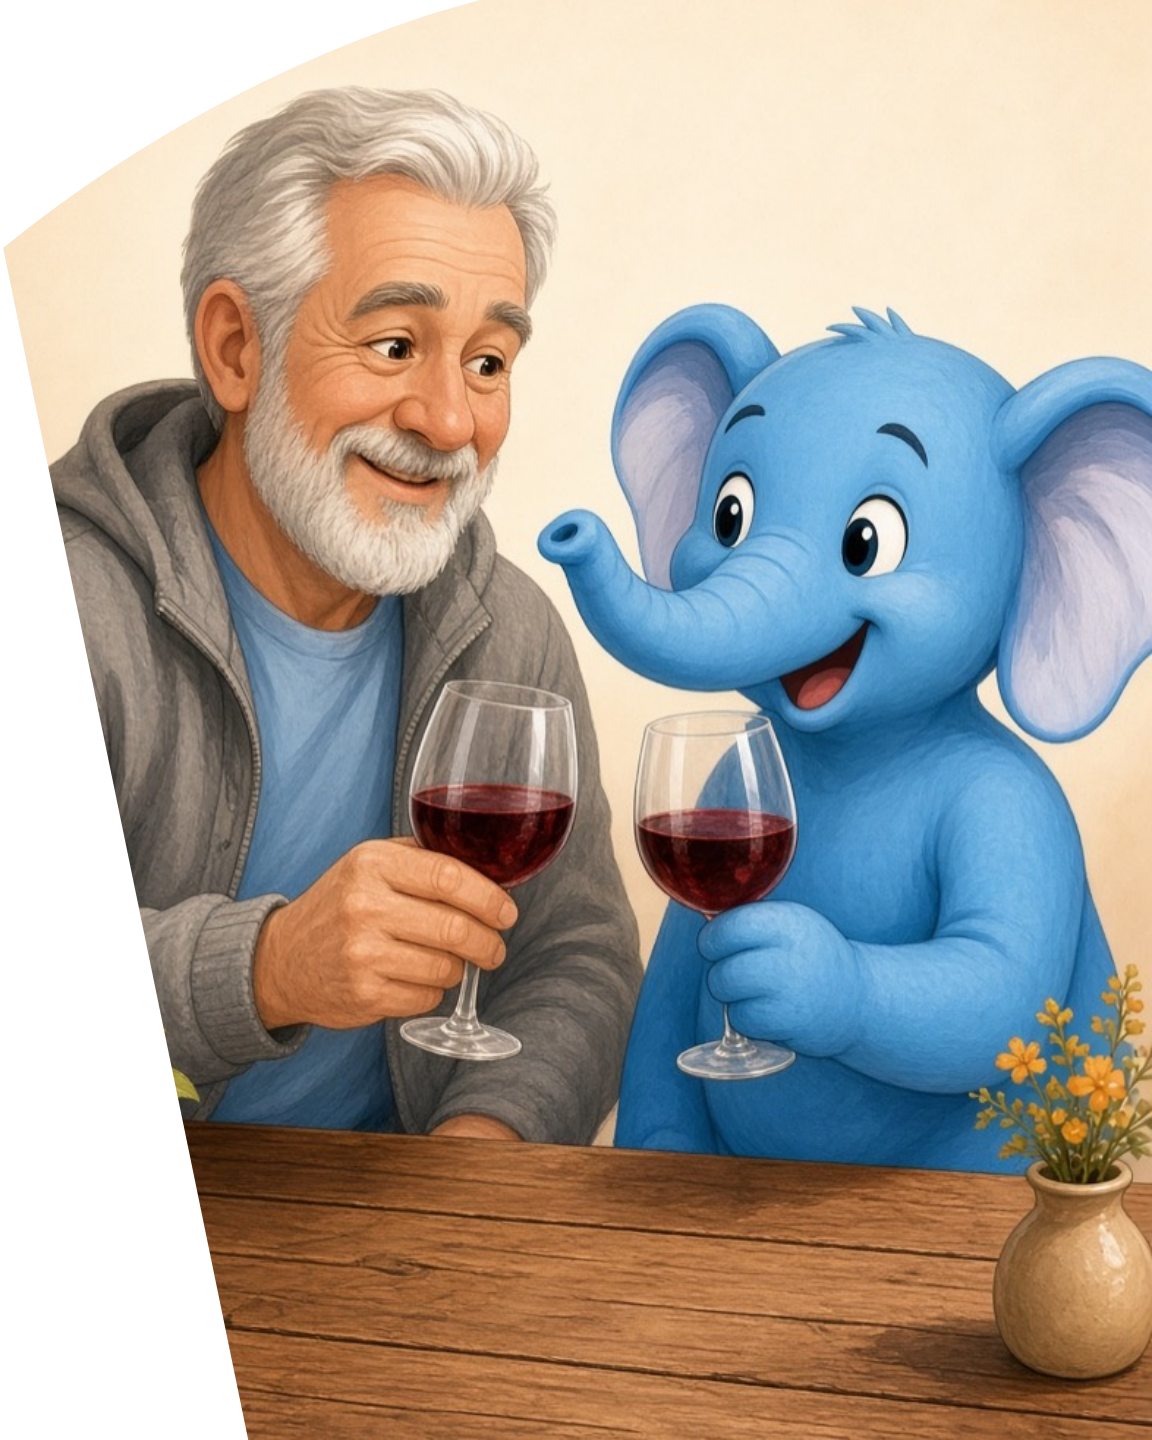

Grant's Practice Tests

redgate

Grant's Thoughts

- Harder than I was prepared for
- Spend a lot more time looking at security
- The test was not silly trivia (but there is a little of that in there)

Pat's Thoughts

- It is Memorization
- The videos didn't follow the questions
- The questions are meant to trick you

PostgreSQL Documentation

- https://www.postgresql.org/docs/
- Pay attention to this:
